MEMORANDUM FOR: Deputy Director for Administration

DDI-941-96

FROM : Alfonso Rodriguez  
Director of Training *AR Rodriguez*

SUBJECT : Request to Brief Professors of Political  
Science of the State University of  
New York

1. On Friday, 12 March, the Intelligence Institute received a telephonic request from [REDACTED], Chief, STATINTL Recruitment Division, Office of Personnel, to send a briefing officer to Albany, New York, to make a presentation about the Agency on 26 March to the assembled professors of political science of the State University of New York (SUNY). An Agency response is urgently solicited.

2. The nature of this group, consisting as it apparently will be of a large number of academicians, is different from those we generally receive and satisfy. It can be expected that this is not an altogether friendly audience, but presumably it is one we would like to reach with a positive message. Your guidance concerning the response to this request would be appreciated.

[REDACTED]  
Alfonso Rodriguez

For the Record:

1. Subject request was sent to Angus Thuermer's office and Paul Walsh/ADDI. It appeared Mr. Walsh was interested until he found through [REDACTED] that the SUNY discussion related to employment opportunities and careers. [REDACTED] learned of this in a conversation with the SUNY professor making arrangements for the meeting.

2. I referred the matter to [REDACTED] and checked with the recruitment people concerning our interest in attending. Because of the relatively little interest in political science majors and the fact that the Agency was the only Federal agency invited, it was decided to turn down the invitation.
